

Indie Author Project

Select Collection

Baker & Taylor has partnered with The Indie Author Project (IAP), a library-community wide effort to connect library patrons with great indie-published books. The Indie Author Project Select collection includes 500 top indie-published eBooks across multiple genres and audience levels, and features *NY Times* and *USA Today* best-selling authors and award winning titles.

The IAP Select collection provides **unlimited, multi-user simultaneous access**, with no per-circulation charges, turnaways or holds!

Expand your patrons' access to quality, indie-authored eBooks

Help support writers and alternative publishing

500 award-winning, bestselling and high-demand titles

Curated by *Library Journal* staff, and from state author contests and regional competitions

Includes titles available exclusively to libraries

The IAP Select subscription provides a full year of access to all 500 indie-published titles.
